

TEXAS A&M UNIVERSITY
Clinical Science &
Translational Research

Grand Rounds

Nicolaas E. Deutz, MD, PhD, FASN

Professor, Ponder Endowed Chair; Director, Center for Translational Research in Aging & Longevity; Department of Kinesiology & Sport Management, School of Education & Human Development; Department of Primary Care & Rural Medicine, School of Medicine; Texas A&M University

Philip Calder, PhD, DPhil, RNutr

Professor of Nutritional Immunology and Head of the School of Human Development & Health; Faculty of Medicine; University of Southampton; United Kingdom; Hagler Fellow, Hagler Institute for Advanced Study, Texas A&M University

“Exploring the Metabolic Interaction Between Amino Acids and Fatty Acids”

**Tuesday, October 1, 2024
12:00–1:00 pm**

Via ZOOM:

<https://tamu.zoom.us/j/97360784118?pwd=AjkoZ0216IO11Mde14NabHL9R0yUwg.1>

Meeting ID: 973 6078 4118

Passcode: 386811

Dial in: 1 346 248 7799 / 1 888 788 0099 / 1 877 853 5247

OBJECTIVES: Upon completion of this activity, the participant should be able to:

1) Describe the importance of Omega-3 fatty acids and amino acid metabolism and methods; and 2) discuss recent methods to measure metabolism with stable isotope tracers.

ACCREDITATION: Texas A&M University College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

DESIGNATION: Texas A&M University College of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

DISCLOSURES: Nicolaas E. Deutz, MD, PhD, FASN, and Philip Calder, PhD, DPhil, RNutr, faculty for this educational activity, have no relevant financial relationship(s) to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

The planners for this educational activity have no relevant financial relationship(s) to disclose with ineligible companies whose primary business is producing, marketing, selling- re-selling, or distributing healthcare products used by or on patients.

Physicians claiming CME credit should submit an evaluation online at
